I've always seen myself as a reckless gambler
Risking all that I had
Whenever I could

But then one day it happened
You appeared like from a dream
And we moved in synch like dancing
With our hearts in harmony

Chorus:

You are my way
To another world
You are the one who makes me fly so high
You are the rain when my spirits run dry
You give my life
A hope that's real
'Cause when I'm with you
You take me away
To another world

All my life I've been called a hopeless romantic
Waiting for my prince
To sweep me away
But when I found you I felt different
Than I ever felt before
Suddenly I was taking no chances
By walking through your door
