Funny, funny  
You don't resemble what i had in mind  
Funny as it seems every night you're in my dreams  
Ooh baby I never thought that love could be so crazy  
Crazy it may be but you're the only one for me  
I knew you as a child we both were running wild and  
love had never crossed our minds  
But that was long ago and little did i know love would  
sneak up from behind  
Funny, funny there's no explaining what's come over  
me  
There's nothing i can do but hope that you love me too  
I'd miss the glamoured love that twinkles up above  
And fades just like a shooting star  
But now I'm back on earth  
I see how much you're worth and now that we really are  
Funny, funny  
There's no explaining what's come over me  
There's nothing I can do  
I'm so in love with you
