Wakatteiru no ni
Fuan de tashikameru
You hold me and kiss me
You say that you miss me
Ochitsukenai oh why? Tonight...

Ima wa doko ni iru no?
So tell me, nani shiteru no
Images inside my head, ima wa nani wo omou no?

But I know that I'll stay cuz next to you is where I belong
(Where I belong)
Shinji saseteite, when you're gone
Ooh~ when you're gone...
I guess it's just a helpless night, a helpless night, a
helpless night
Mune ga kurushikute when I'm alone
My heart melts when you're gone

I hear everything you say ari no mama ni
Last night I held you so tight, baby all through the night
Soredemo you say
It's not enough for me
Oshiete
Modokashi kimochi de
Kimi shika inai kara
Baby how can I make you see?

But I know that I'll stay cuz next to you is where I belong
(Where I belong)
Shinji saseteite, when you're gone(When you're gone)
I guess it's just a helpless night, a helpless night, a
helpless night
Mune ga kurushikute when I'm alone
My heart melts when you're gone

Soba ni itai kara wherever you are (wherever you are)
Te wo nobashite baby
I'm not that far

But I know that I'll stay cuz next to you is where I belong

(Where I belong)
Shinji saseteite, when you're gone
Oooh~ when you're gone...
I guess it's just a helpless night, a helpless night, a
helpless night
Mune ga kurushikute when I'm alone
My heart melts when you're gone

My heart melts when you're gone...
