Uh, I like it, yeah, I like it  
Uh, you want it, you really want it

If you really want it come and get it, get it  
Boy, I know you want it come and, come and get it

Uh, I like it, yeah, I like it  
Uh, you want it, you really want it

If you really want it come and get it, get it  
Boy, I know you want it come and, come and get it

We both know that we're enjoying this game  
Don't start to shy away, you know you want it bad like I  
do

If you catch me boy, then it's satisfaction guaranteed  
But under one condition: Just treat me right  
Don't run and break my heart, there's no warranty  
Boy, you getting no second chances with me  
Do it right the first time around you'll get all my loving  
you'll see

Sometimes I just can't help it baby  
I just wanna be selfish baby  
But whatever I do you're gonna love it
