One thing 'bout this heart of mine
All my hurts gonna mending time
It don't leave no scars behind
I'll get over you

I'll find me a guy one day
Who's not scared to give his heart away
When I do it's safe to say that
I'll get over you

I'll get over you
I'll get through it when I do
I'll be good as new
When I get over you

From now on think, I'll lay low
I'll talk fast but I'll move slow
You taught me all I need to know
'Bout gettin' over you

Sometimes I think, I love you still
Wonder if I always will
But I know
It's just until I get over you

I'll get over you
I'll get through it when I do
I'll be good as new
When I get over you

Sometimes think, I love you still
Wonder if I always will
Love for you's so hard to kill
But I'll get over you

I'll get over you
I'll get through it when I do
I'll be good as new
When I get over you

I'll get over you
I'll get through it when I do

I'll be good as new
When I get over you

I'll get over you
I'll get through it when I do
I'll be good as new
When I get over you

I'll get over you
I'll get through it when I do
I'll be good as new
When I get over you
