Crystal Gayle & Gary Morris

Iâ€™ve tried playing it cool  
Iâ€™ve tried playing it hot  
I have tried being what I am  
And Iâ€™ve tried being what Iâ€™m not

Iâ€™ve tried holding it out  
Iâ€™ve tried rushing on in  
And Iâ€™ve tried to convince myself  
That Iâ€™m not gonna try again

But the pieces are there, weâ€™re part of a plan  
Even though I know it hasnâ€™t happened yet  
Itâ€™s written somewhere, donâ€™t know how or when  
But I know Iâ€™ll try until the pieces fit  
Cos love wonâ€™t let me quit

Iâ€™ve looked all over the world  
Iâ€™ve looked deep in your eyes  
I have looked at forever  
One lonely day at a time

Iâ€™ve looked out of my head  
Iâ€™ve looked into my soul  
And Iâ€™ve looked like a perfect fool  
Who doesnâ€™t know where to go

But the pieces are there, weâ€™re part of a plan  
Even though I know it hasnâ€™t happened yet  
Itâ€™s written somewhere, donâ€™t know how or when  
But I know Iâ€™ll try until the pieces fit  
Cos love wonâ€™t let me quit

The pieces are there, weâ€™re part of a plan  
Even though I know it hasnâ€™t happened yet  
Itâ€™s written somewhere, donâ€™t know how or when  
But I know Iâ€™ll try until the pieces fit  
Cos love wonâ€™t let me quit
