I know that it's late now but I had to call  
So don't you hang up on me till I've said it all  
It's a crazy situation but I can't handle it alone  
So many complications, it's hard to tell you on the  
phone

While I'm unwinding  
Let me give the bottom line  
Come back home

Got a little heartache, you can make it better  
Got a little heartache, it's tearing me apart  
If you don't want to listen to what I say  
I'm gonna give it to you anyway  
Straight to the heart, straight to the heart

You could blame it on my actions  
But I did not mean to hurt  
I could blame your cold reactions  
Tell me, did you mean those words?

Well, I guess it's true  
Everything you say and do  
Goes to my heart

Got a little heartache, you can make it better  
Got a little heartache, it's tearing me apart  
If you don't want to listen to what I say  
I'm gonna give it to you anyway  
Straight to the heart, straight to the heart

Well, I guess it's true  
Everything you say and do  
Goes to my heart

Got a little heartache, you can make it better  
Got a little heartache, it's tearing me apart  
If you don't want to listen to what I say  
I'm gonna give it to you anyway  
Straight to the heart, straight to the heart

Got a little heartache, you can make it better

Got a little heartache, it's tearing me apart  
If you don't want to listen to what I say  
I'm gonna give it to you anyway  
Straight to the heart, straight to the heart

Got a little heartache, you can make it better  
Got a little heartache, it's tearing me apart  
If you don't want to listen to what I say  
I'm gonna give it to you anyway  
Straight to the heart, straight to the heart
