You're not an hour gone
And I'm hopelessly alone,
Hopelessly awaiting your return.
But you're no longer mine.
You're gone for good this time.
Left me facing all this hurt.

I've been through this before,
Believing too much,
Listening to love talk and
Thinking it's love, oh I'm...

Tired of listening
To love songs.
I'm through believing
In love songs.
Through believing in love.

It's time for a new start
So I'll button up my heart
Tuck away what little faith you left.
And I know from now on
That I must be strong,
Never want to feel this way again.

I've learned my lesson well,
????????????????????
Believing in love talk
Won't turn into love, oh I'm...

Tired of listening
To love songs.
I'm through believing
In love songs.
Through believing in love.
