Crystal Gayle & Gary Morris

Iâ€™ll be on your mind like a memory
Iâ€™ll be on your mind and in your dreams
Iâ€™ll be there in the morning with the rising sun
Iâ€™ll be your midnight move when the day is done

My loveâ€™s a shadow and itâ€™s following you
Iâ€™m getting closer and you know itâ€™s true
Thereâ€™s nothing that I wouldnâ€™t do for you
Nobody wants you baby like I do

Whoâ€™s gonna love you like me
Whoâ€™s gonna be what you need
Whoâ€™s gonna love you

Maybe it was love turning cold as ice
Maybe somebody left you once or twice
Oh, but love it knew, and you donâ€™t know how
If you need reassurance let me hold you now

My loveâ€™s a shadow and itâ€™s following you
Iâ€™m getting closer and you know itâ€™s true
Thereâ€™s nothing that I wouldnâ€™t do for you
Nobody wants you baby like I do

Whoâ€™s gonna love you like me
Whoâ€™s gonna be what you need
Whoâ€™s gonna love you

Whoâ€™s gonna love you like me
Whoâ€™s gonna be what you need
Whoâ€™s gonna love you like me
Whoâ€™s gonna be what you need
Whoâ€™s gonna love you like me
Whoâ€™s gonna be what you need
