Sittin' on the bed a thinkin'
Thinkin' that my heart is sinkin'
Everyday the world goes by
With you gone

All I do is dream about you
Living ain't a life with out you
Honey can you find it in you?
To come back home

You never miss a real good thing
I know what it means
You never see the light of day
Till it goes away
You never want a drink of water
Till the well runs dry
You never miss a real good thing
Till he says good-bye

I guess you must've had your reasons
Maybe you were right in leavin'
I know you never found yourself
In what we had

And honey you've a right to blame me
Maybe even time would change me
But can't you see the good thats in me
And over look the bad

You never miss a real good thing
I know what it means
You never see the light of day
Till it goes away
You never want a drink of water
Till the well runs dry
You never miss a real good thing
Till he says good-bye

You never miss a real good thing
I know what it means
You never see the light of day
Till it goes away

You never want a drink of water
Till the well runs dry
You never miss a real good thing
Till he says good-bye
