So tell me...how does it feel to...ACT YOUR AGE???...
Got your career lifetime degree,you're...PAST THAT
STAGE???...
But still,you drive the street where...WE USED TO
PLAY!!!...
I guess:after the pieces had fallen,you just let them
lay!!!...

Can I plead to your soul?...
Ah don't you let it all go...let it all go...let it all go...
Can I plead to your soul?...ah don't you let it all go!!!...

The Bowery and me...we go way back a long time...
Back in the day...to shake the hand of a good friend...
A Sunday matinee...with the hardcore kids at CB's...
Back in the day...

It was true to me,so true to me,still true to me...
And there's no doubt in my mind...I still believe...
In all the shows and fanzines...in all the scenes...
They never...forget their friends,and that...can never
change!!!...

Can I plead to your soul?...
Ah don't you let it all go...let it all go...let it all go...
Can I plead to your soul?...ah don't you let it all go!!!...

The Bowery and me...we go way back a long time...
Back in the day...to shake the hand of a good friend...
A Sunday matinee...with all the hardcore kids at
CB's!!!...
Back in the day...

It was true to me,so true to me,still true to me.
