There you go astro boy
On your flight into space
Rocket high, through the sky
More adventures to do all day
Astro boy bombs away
On your mission to save
There's a count down and a blast off
Everything is go astro boy
Astro boy as you fly
Strange new worlds you will spy
Atom celled, jet propelled
Fighting monsters high in the sky
Astro boy there you go
Will you find friend or foe
Cosmic ranger, laugh at danger
Everything is go astro boy
Astro boy bombs away
On your mission today
There's a count down and a blast off
Everything is go astro boy
Crowds will cheer you, you're a hero
As you go go go astro boy
