(Bobby Osborne)

Ridin' the Bluegrass Express
Ridin' the Bluegrass Express
This train soon be gone and I'm going home
On the Bluegrass Express.

She'll cross the river at Newport town
Louisville, Lexington, she's southbound
Richmond, Winchester, Bowling Green
Prettiest places I've ever seen.

Ridin' the Bluegrass Express
Ridin' the Bluegrass Express
This train soon be gone and I'm going home
On the Bluegrass Express.

--- Instrumental ---

Ridin' the Bluegrass Express
Ridin' the Bluegrass Express
This train soon be gone and I'm going home
On the Bluegrass Express...
