(Traditional)

Oh, the cuckoo she's a pretty bird  
She warbles as she flies  
But I never give her water  
Till the forth day of July.

It is often that I wonder  
Why women love men  
And I look back and I wonder  
Why men are men.

Oh, the cuckoo she's a pretty bird  
She warbles as she flies  
But I never give her water  
Till the forth day of July.

Gonna build me another castle  
On a mountain so high  
So then I can see my true love  
As she passes by.

Oh, the cuckoo she's a pretty bird  
She warbles as she flies  
But I never give her water  
Till the forth day of July.

--- Instrumental ---

Jack of Diamonds, Jack of Diamonds  
I know you of old  
You have robbed my poor pockets  
Of silver and of gold.

Oh, the cuckoo she's a pretty bird  
She warbles as she flies  
But I never give her water  
Till the forth day of July...
