(Merle Haggard)

When you're running down my country man  
You're walking on the fightin' side of me.

I hear people talking bad about the way we have to live  
here in this country  
Harping on the wars we fight griping bout the way  
things oughta be  
I don't mind 'em switching sides and standing up for  
things they believe in  
When they're running down my country they're walking  
on the fightin' side of me.

They're walking on the fightin' side of me  
Running down a way old life our fightin' men have  
fought and died to keep  
If you don't love it leave it let this song that I'm singing  
be a warning  
When you're running down our country hoss you're  
walking on the fightin' side of me.

--- Instrumental ---

I read about some squirrely guy who claims that he just  
don't believe in fightin'  
And I wonder just how long the rest of us can count on  
being free  
They love our milk and honey but they preach about  
some other way of livin'  
When they're running down our country man they're  
walking on the fightin' side of me.

They're walking on the fightin' side of me  
Running down a way old life our fightin' men have  
fought and died to keep  
If you don't love it leave it let this song that I'm singing  
be a warning  
When you're running down our country hoss you're  
walking on the fightin' side of me.

When you're running down our country hoss you're  
walking on the fightin' side of me...
