(Lester Flatt)

I used to sit alone at night and worry little darling
For I thought she meant the world to me
But now things have changed and those days are gone
forever
So I'll never shed another tear.

I'll never shed another tear, I don't care what happens
You have proved your love untrue to me
There's nothing' you can do that will ever change my
feelings
So I'll never shed another tear.

--- Instrumental ---

With a broken heart I'll never forget those vows we
made together
Many times you told me not to fear
But now you've forgotten and you've left me here
forever
So I'll never shed another tear.

I'll never shed another tear, I don't care what happens
You have proved your love untrue to me
There's nothing' you can do that will ever change my
feelings
So I'll never shed another tear.

--- Instrumental ---

Now you should have told me dear that you were only
fooling
Then I'd never learn to love you so
Then I wouldn't have all those heartaches my darling
Dread in the day I see you go.

I'll never shed another tear, I don't care what happens
You have proved your love untrue to me
There's nothing' you can do that will ever change my
feelings

So I'll never shed another tear...
