(Ernest Tubb - Jimmie Skinner)

Let's say goodbye like we said hello in a friendly kind
of way
There's something wrong your love is gone I've no
reason now to stay
We live and love we meet and part and broken hearts
must pay
Let's say goodbye like we said hello in a friendly kind
of way.

Your love sweetheart I won't forget you're always on my
mind
You're all the happiness I knew so thoughtful sweet and
kind
For old time sake I'm asking you to think of me some
day
Let's say goodbye like we said hello in a friendly kind
of way.

--- Instrumental ---

I wish you happiness sweetheart in everything you do
May good luck always come your way and every dream
come true
I remember you and the love we knew the love of
yesterday
So let's say goodbye like we said hello in a friendly
kind of way.

If I should meet some other dear and learn to love
them too
I'll hope and pray somehow sweetheart they'll make me
think of you
A tender smile an old love song a heart so young and
gay
Let's say goodbye like we said hello in a friendly kind
of way...
