(Dolly Parton - Bill Owens)

Put it off until tomorrow
You've hurt me enough today.

You say our love is over
That you have found another
You say you're going away
But leave me tomorrow
You've hurt me enough today.

You've hurt me enough today
I can't believe the words you say
I must accept the fact
You won't be coming back.

So stay just one more day
Loneliness isn't far away
Put it off until tomorrow
You've hurt me enough today.

--- Instrumental ---

Put it off until tomorrow
Oh, oh, you've hurt me enough today...
