(Brantley C. George)

Oh, Thou blessed rock of ages
Trusting now dear Lord in Thee
Keep me till my journey's ended
Till Thy blessed face I see.

Hide me oh, blesseed rock of ages
Till Thy blessed face I see
When the storms around me reside
Rock of ages hide Thou me.

--- Instrumental ---

When my journey is completed is completed
And there's no more work to do
Saviour guide my weary spirit
Happy land beyond the blue.

Hide me oh blesseed rock of ages
Till Thy blessed face I see
When the storms around me
Regest rock of ages hide Thou me.

Rock of ages hide Thou me, hide Thou me...
