(Lester Flatt - Bill Monroe)

Now will you love me little darlin'
When I'm in some other land
And you know I can't be with you
Or will you be loving another man?

Will you be loving another man
Will you be loving another man
When I return will you be waiting
Or will you be loving another man?

--- Instrumental ---

Now don't be crying on my shoulder
Telling me that love is grand
And before I'm out of sight dear
You'll be loving another man.

Will you be loving another man
Will you be loving another man
When I return will you be waiting
Or will you be loving another man?

--- Instrumental ---

Now if I find this to be true dear
I want you do please understand
When I'll return don't say you're sorry
Just keep on loving another man.

Will you be loving another man
Will you be loving another man
When I return will you be waiting
Or will you be loving another man?...
