(Loretta Lynn)

I live in the world, world of forgotten people
Who've loved and lost their hearts so many times
I'm here in the world world of forgotten people
Where every heart is aching just like mine.

Well, I've loved and I've been loved but I've had the
reckless heart
And the many dreams I've had I've torn apart
Now I find that I was wrong too late I'm all alone
Alone in the world of broken hearts.

I live in the world, world of forgotten people
Who've loved and lost their hearts so many times
I'm here in the world world of forgotten people
Where every heart is aching just like mine.

--- Instrumental ---

I'm here in the world world of forgotten people
Where every heart is aching just like mine...
