(Don Winters - Ray Edenton)

You're running wild how long can this go on
You're leaving me alone and running wild
You're always gone my love you'll never share
It's more than I can bear you're running wild.

You'll settle down someday and find I've gone away
You'll think of what you've done while running wild
I can't go on, you'll have to choose the way
You'll have to go or stay, stop running wild.

--- Instrumental ---

I can't go on, you'll have to choose the way
You'll have to go or stay, stop running wild.

You're running wild...
