Coming to thought
That
We were meant to be
Saying it to you
Is
Just too hard for me
Beautiful like the stars
Is
How you look to me
Weak like the leaves
Is
How I turn with you...

And I see you
Walking around like you own the place
Looking around for a common face
To talk to you
And I want you
To notice me when I look at you
Talk to me when I talk to you
And notice
We were meant to be

Thinking about you
Is
Not in of for me
Talking on the phone
Is
Just to blocked for me
If you only knew
What
You meant to me
Then you'd only see
That
We were meant to be

And I see you
Walking around like you own the place
Looking around for a common face
To talk to you
And I want you
To notice me when I look at you

Talk to me when I talk to you//
And notice
We were meant to be
Meant to see
Iâ'm here for you
