People, around the world say I'm better  
But I can say I'm not a quitter  
Too the people  
And people  
No they don't apologize  
That's why we have to advertise in the paper

I can't make you stop and listen that won't save you.  
I can't believe  
Everybody wants to party all night long until the birds  
are singing  
So do what you want to do  
Be what you want to be  
Live how you want to live  
If you want to be free  
Then listen to me.

People  
Don't you know it's not polite  
To point and stare  
No that's no the way to show you care  
About the way you live,  
And people  
You've got to give it up with gratitude  
But you only did it cause I told you to  
Well too bad  
So sad

I can't make you stop and listen that won't save you.  
But if you listen...  
He can save you, he'll forgive you, he won't charge  
you and will care for you  
So do what you want to do  
Be what you want to be  
Live how you want to live  
If you want to be free  
Then listen to me.

So do what you want to do  
Be what you want to be  
Live how you want to live  
If you want to be free

Then come and listen to me  
So say what you want to say  
Hear what you want to hear  
Live how you want to live  
But listen to me and you could be free
