Mi Amor  
Here in this moment  
Somehow I know it  
Mi amor  
I can't sleep at night  
You've got me hypnotized  
I need you now

Girl there you are  
I can see you shining  
Like a distant star  
What am I to do  
I just can't believe  
That I have fallen for you baby

Wanna get you moving closer  
Wanna tell you what I'm feeling in my heart  
To let you know

Mi Amor  
Here in this moment  
Somehow I know it  
That you should be  
Mi amor  
I can't sleep at night  
You've got me hypnotized  
I need you now

Can't you read my mind  
'Cause only you can free me  
From this pain I feel inside  
Can't go on this way  
But how can I forget you and  
Go back to yesterday

Wanna know just what you're thinking  
Wanna know if you feel the same way in your heart  
Please tell me girl

Mi Amor  
Here in this moment  
Somehow I know it

That you should be  
Mi amor  
I can't sleep at night  
You've got me hypnotized  
I need you now

Mi Amor  
Here in this moment  
Somehow I know it  
That you should be  
Mi amor  
I can't sleep at night  
You've got me hypnotized  
I need you now

Mi Amor  
Here in this moment  
Somehow I know it  
That you should be  
Mi amor  
I can't sleep at night  
You've got me hypnotized  
I need you now
