Well all right

Let's get together, baby let me come see you
sometime
Uh huh

Hey girl, come on let's dance
Uh huh
Hey boy (yeah)
I'll take a chance
Uh huh
A little soft music and a kiss could bring romance
Uh huh

I look in your eyes and my knees get weak
When you're in my arms I can hardly speak
I hear crazy music when you call my name
Baby baby baby do you feel the same?

Uh huh
Hey girl, hey what's the score?
Uh huh
Hey boy (yeah)
You ought to know
Uh huh
Now we're going steady and I'll never never let you go
Uh huh

Uh huh, mm mm, oh yeah
Ya ya, si si si, da da
Da da
Oui oui, okay, ya yeah
Well all right

I look in your eyes and my knees get weak
When you're in my arms I can hardly speak
I hear crazy music when you call my name
Baby baby baby do you feel the same?

Uh huh
Hey girl, hey what's the score
Uh huh
Hey boy (yeah)
You ought to know
Uh huh
Now we're going steady and I'll never never let you go
Uh huh

Uh huh, mm mm, oh yeah
Ya ya, si si si, da da
