Without a warning  
You took my heart  
You took it, darling  
Let me tell you  
You tore it apart

You left me sitting  
All alone in the dark, crying  
When you told me your love, baby  
Your love for me were dying

And now, baby  
Baby, please  
Show me  
Baby, please

Turn on your light  
Let it shine on me  
Turn on your light  
Let it shine on me  
Let it shine on me  
Let it shine on me  
Let me say it one more time

I get a little lonely  
In the middle of the night  
I need you, darling  
To make things all right

Baby  
Pretty, please  
Turn on your light, baby  
Let it shine on me  
I will be alright  
I will be alright  
Look, I have a brand new rock  
I have a brand new roll  
Baby baby baby  
Now now my baby  
You can do so much with it, baby  
By turning on the light

It will mean so much  
If you turn on the light  
Listen, I have a brand new?  
I said my baby loves it  
I said my baby loves it
