To the point, can't avoid and a face to the fact
You do what you have to do to get ahead

To the point, can't avoid and a face to the fact
You do what you have to do to get ahead
And the price could be high but I never deny
Your kisses so sweet and you taught me to fly

Broken wings and lost home
Couldn't help me to find my own
And I promised I won't give up
Cause I found my place on the map

Make love to America
She is my girl
She is my miracle
Make love to America
She is my girl
She is my miracle

And Harlem is my home, the reality show
I dance my own beat it makes my heart glow
You are a bitch, you are ma
You a hell, heaven spot
But making Love with you
Is the best thing I've got

Broken wings and lost home
Couldn't help me to find my own
And I promised I won't give up
Cause I found my place on the map

Make love to America
She is my girl
She is my miracle

I could be a big hit
Holly Hollywood kid
Try bitches, try weed
Make me complete
Chechnya and a Moskva
Oscar goes to Oskar

You think that I am cocky
But that's the way I am talking
Everybody says YO!
I go with a flow
I will be your hip hop
I will be your top top
And I say what I mean
I am a James I am a Dean
And I am getting hysterical
Make Love not war

Make Love to America
She is my girl
She is my miracle
She is my miracle
Yeah
