My fist turns to steel  
Do you know how it feels  
When they spit in your face  
Disgrace and erace  
But it's my space  
Yeah it's my place  
May be I am not a christian  
May be I am an infidel  
A gentile sinner and according to ya  
Definitely going to hell  
Ben Laden on sale, Hussein in a jail  
Play cat and mouse  
Dogs in da house

I swallow the pain  
And don't even mention  
Stop Jihad  
Stop Jihad  
I pray Allah or God  
No matter who provides it

Chorus:  
Don't You think we are under  
Don't you think we are mad  
I am stronger when I hold you  
To overcome Jihad

I am a man, you know, man never cries  
But you cause me tears cause I am a human alive  
Misunderstood! I shouldn't, but I would  
Bare my heart, give ya my word  
I feel you my brother, not somebody other  
We are not God, flesh and blood  
I feel ya my brother, respect one another  
I don't wanna be hated  
Discriminated  
You know that I am naked  
How many lives should be taken?

Chorus:  
Don't you think we are under  
Don't you think we are mad

I am stronger when I hold you  
To overcome Jihad
