walkin' down dyer road
thinking 'bout life and lovin' living
happy to know what i know
glad to lead the life that i've been given
not to say i never get down
i have had my share of sheer frustration
through it all i finally found
i've got a God that knows my situation

i know it'll be alright
i know it'll be alright

walkin' down dyer road
im delighted to know God is watching
giving me just enough
information to keep me in trusting
sending me a sign now and then
just to make sure that im still listening
every single promise has been true to everyone
you better trust Him...

it's alright
although sometimes i wonder
alright, alright, if i believe at all
i do, i've discovered...
