frustrated, aggravated
each time i fall
frustrated, simply stated
wait on His call

the walls are closing in around me
i know you feel the same way too
He's never left me since He found me
the only light that's shining through
if i can hang on...a little longer
He's making our bond...a little stronger

frustrated, aggravated
each time i fall
frustrated, simply stated
wait on His call
your life is like a roller-coaster
climbing to the very top
i thing there's something you should know sir-
you're headed for deepest drop
if i can hang on...a little longer
He's making our bond...a little stronger

frustrated, aggravated
each time i fall
frustrated, simply stated
wait on His call
