When i can't feel your love for me  
The pain in my soul, it won't let me sleep  
I imagine you here and it dries up my tears  
Even though i can't see  
I still believe...

I believe in love  
I believe in peace  
I believe someday  
You'll return for me  
I believe in things  
That i cannot see  
And when my heart says no  
I still believe

Just when i think my faith is gone  
I hear your sweet voice crying out hold on  
It's amazing how we, we're always meant to be  
And now i can breathe again

I believe in love  
I believe in peace  
I believe someday  
You'll return for me  
I believe in things  
That i cannot see  
And when my heart says no  
I still believe

I believe the sun will shine again  
And the loneliness someday will end  
I will stand right here 'til your voice i hear  
Forever and always

I believe in love  
I believe in peace  
I believe someday  
You'll return for me  
I believe in things  
That i cannot see  
And when my heart says no  
I still believe
