INTRO:

My soul, my soul

Watch over me

My Father, my Father

It it's possible let this pass from me

In your deepest plan I'll surely stand

It's not how I feel but oh do Thy will

I have asked You, I have asked You, I have asked You  
again

The hour is at hand for the Son of man  
Lonely, was the hour

Lonely, you made it through

Hallelujah!

Lonely, was the hour

Lonely, you made it through

Hallelujah!

I have always found that your love

Would be enough for me

I have always found that your love

Would be enough for me

It will be, it will be

It must happen this way

Everyday, everyday

I would teach and you would let me stay

All my friends this time have left my side

It had happened then to prove the words of other men

I will tell you, I will tell you, I will tell you again

You will see the Son of Man at the right hand

Lonely, was the hour

Lonely, you made it through

Hallelujah!

Lonely, was the hour

Lonely, you made it through

Hallelujah!

I have always found that your love

Would be enough for me

I have always found that your love

Would be enough for me

Lonely, was the hour

Lonely, you made it through

Hallelujah!

Lonely, was the hour

Lonely, you made it through

Hallelujah!

(Repeat x2)

I have always found that your love

Would be enough for me

I have always found that your love

Would be enough for me

(Repeat bridge 4 times to end)
