How can I say, thanks
For the things You have done for me
Things so undeserved
Yet You gave to prove your love for me

The voices of a million angels
Could not express my gratitude
All that I am and ever hope to be
I owe it all to thee

To God be the glory
To God be the glory
To God be the glory
For the things, He has done

With His blood, He has saved me
With His power, He has raised me
To God be the glory
For the things, He has done

Just let me live my life
And let it be pleasing Lord to thee
And should I gain any praise
Let it go to Calvary

With His blood, He has saved me
With His power, He has raised me
To God be the glory
For the things, He has done

To God be the glory
To God be the glory
To God be the glory
For the things, He has done

With His blood, He has saved me
With His power, He has raised me
To God be the glory
For the things, He has done
