[Chorus]

Hey, hey, hey yo whowow
So beautiful girl you so beautiful
The most beautiful girl I've ever seen
So beautiful girl I need you in my life
I'm looking for a wife so beautiful
They say love is pain they say pain is love
They say love is blind I think about you all the time
I can't get you off my mind girl

Oh baby can't you see our love was meant to be
You are the only girl that ever rock my world
The way you kiss me girl you make my toe curl
Your kiss your touch your smile the way you make me
feel it feel so real
Kiss me once kiss me twice your kiss so nice
Tonight when the time is right same time same place
tonight's all plan
Girl you are the one I hope you understand it's not
gonna be a one nighth stand

[Chorus]

Hey, hey, hey yo whowow
So beautiful girl you so beautiful
The most beautiful girl I've ever seen
So beautiful girl I need you in my life
I'm looking for a wife so beautiful
They say love is pain they say pain is love
They say love is blind I think about you all the time
I can't get you off my mind girl

Tonight, tonight I'm gonna dim the light
I'm gonna do it right all night
And I'll take my time and I'll take it slow
Take my baby girl where ever she wanna go tonight
I've got a feeling tonight I'll feel the magic between me
and you
Last night we spend the night together
For the first time you make me feel something that no
girl ever
Give my heart to you would do anything for you

Just cause you are the one I've been looking for my
whole life
And now that I've found you
I'm gonna show you what it gonna be tonight, tonight

[Chorus]

Hey, hey, hey yo whowow
So beautiful girl you so beautiful
The most beautiful girl I've ever seen
So beautiful girl I need you in my life
I'm looking for a wife so beautiful
They say love is pain they say pain is love
They say love is blind I think about you all the time
I can't get you off my mind girl

Your skin is so soft can't wait for tonight to take your
close off
Make love to you until you dose off
Just me and you alone in the dark in the world where
love talk
There gonna be a sound when it's going down
Your body is my playground
Talk to me girl tell me what you like
How else would I know if I'm doing it right
I'll touch you at the right place at the right time
So when you get some time
I'd like to sit with you and have a chat with you
I have a question I would like to ask you
All you have to say is yes I do, yes I do yes I do

[Chorus]

Hey, hey, hey yo whowow
So beautiful girl you so beautiful
The most beautiful girl I've ever seen
So beautiful girl I need you in my life
I'm looking for a wife so beautiful
They say love is pain they say pain is love
They say love is blind I think about you all the time
I can't get you off my mind girl
