Listen all you muthafuckers (x2)

That's the name of the game (x4)

Yo
Top of the crown
Rape the queen
The fatal mistake in your cradle
Can't shake the dreams of
Fire inside of your phonograph
Battered with gas
And give you room to breathe
Through an adequate mask

Everybody in front
Let me see ya pumpin' ya fists
If you up in the back room
When you rockin' with this

Come on

Keepin' ya speaker knockin'
Jumpin' bangin' bumpin' blazin' Hot
Callin' all freaks
Callin' all freaks now
Yo yo
Callin' all freaks
Callin' all freaks now

That's right

That's the name of the game (x4)

Callin' all freaks
Callin' all freaks
Callin' all
Callin' all
Callin

That's right

Get em up in the back room

Get em up in the back room
I said get em up in the back room

Mutha-fucka

Callin' all (x8)

That's the name of the game
Calling all freaks
That's the name of the game
Calling all freaks now
That's the name of the game
Yo yo calling all freaks now
That's the name of the game
Calling all freaks now
