Baby - what
Do you love me - yes I do
Baby - what
I feel like dancing - ok go ahead
I need you - why
To take me dancing

Come on girl, you see I am busy, you know I am tired
I have a lot to do, you see I can't dance, you see I am
exhausted,
I've got to get some rest, hear my phone ringing I've
got places to gooo...

Talk: hey men stop that complaining put on your
dancing shoes it's dancing time

Repeat V1

Come on everybody- - it's dancing time. 2x
Lets go have some fun -- it's dancing time. 2x
Forget your troubles -- forget your troubles
Forget your sorrows -- forget your sorrows
Lets go dancing -- I feel like dancing
I feel like dancing -- I feel like dancing
Dancing brings life -- I feel like dancing
Come on everybody -- it's dancing time

Repeat V1

Come on men, u don't need to be a professional
dancer to go dancing,
Just put on your dancingshoes, step to the dancefloor
and move to the beat.

Come on everybody -- it's dancing time

Surprise your lady -- surprise your lady
Take her dancing -- take her dancing
I feel like dancing -- I feel like dancing
Let's go dancing -- I feel like dancing
Come on everybody -- it's dancing time.
