Don't look so sad, I know it's over
But life goes on and this world keeps on turning
Let's just be glad we had this time to spend together
And then no need to watch the bridges that we're
burning

Lay your head on my pillow
Hold your warm and tender body close to mine
Hear the whisper of the raindrops
Blowin' softly against my window

You don't have to mean it
You can pretend and make believe
You love me one more time
For the good times, for the good times

I'll get along and I'm sure you'll find another
Baby, always remember, I'll be here
I'm gonna wait right here, I'm gonna wait right here
If you should ever find me

And don't say a word about tomorrow or forever
And ever and ever and ever and ever and ever
There'll be time enough for [Incomprehensible] when
you leave me
For the good time, for the good time

Lay your head on my pillow
Hold your warm and tender body close to mine
Hear the whisper of the raindrops
Blowin' softly against my window

You don't have to mean it
I know you don't love me no more
But make believe, you love me one more time
For the good times, oh, baby, for the good times

Think about all the times we spent together, baby
For the good times
Make believe you love me one more time
For the good times

Let me hear you singin' one time
For the good times
All those time we used to have [Incomprehensible] at
the casino
For the good times, for the good times
For the good times
