If you need some good loving

Just call on me, Lord have mercy

If you want some good kissing, yeah

Call on me, ha, Lord have mercy

No more lonely nights

You are gonna spend alone

All you gotta do is pick up your telephone and dial that  
634-5789

That's my number, ho

If you need some good kissing

Call on me, ha, all you gotta do right now

If you want some good hugging, yeah

Just call on me, Lord have mercy

I'll be right here at home

All you gotta do is pick up your telephone and dial that  
634-578

That's my number, ho

I'll be right there, honey

Just as soon as I can, but, huh

If I'll be a little bit late

I hope you can understand, baby, yeah

Allright, ou yeah

If you need good loving, yeah

Just call on me, ah, Lord have mercy

If you want, yeah, some good kissing, yeah

Just call on me

All you got to do, now, ha

Oh, I'll be right here at home, not gonna move

Just call me on the telephone

That number is

634-578, honey

That's my number

Allright, Allright

I'm calling out loud, baby

You knew I'd call it out loud, girl

Baby I've got the 634-5789

I've got the 634-5789...
