I know you told me, long time ago  
That you didn't want me, yeah  
You didn't love me no more

But I know it was something, oh, that made me blue  
But believe me, child, I've been a fool for you  
I've been a big fool for you

I know you told me, yeah  
You didn't want me around  
And don't you have a big old man right there  
In a port, man, away across town

And I know it's something that makes me blue  
Believe me child, I've been a fool for you  
I've been a fool for you

Now did you ever wake up in the morning  
Just about the break of day, yeah, uh  
Reach over an feel your pillow, wow wow wow wow wow  
Where that lil fine f\*\*\* used to lay  
Ever since I was 5 years old, baby  
I've been a ... a fool for you

Way down, deep down in my soul, oh  
I've been a fool for you

Well I know it's something, oh, what makes me blue  
Believe me child, I've been a fool for you

I've been a fool for you  
I've been a fool for you  
I've been a fool for you  
I've been a fool for you

I've been just so bad, yeah  
I've been just so bad

You don't know what you're doing to me  
Well, I just can't understand, yeah  
No no no, baby, yeah

I've been a fool for you honey now  
I've been a great big fool for you, baby  
A fool for you mama...
