I don't do the things that you do
I don't go the places that you go
I don't say the bad things that you say
But I love you any way

I love you any ole way
I love you any way
I love you any way
And I want you to say that too

Wherever you go darlin' I will go
And when you get there, I bet you I will be there
Just to hear the sweet words that you'll say
Yes, I love you any way

I love you any ole way, yeah
I love you any way
I love you any way
And I want you to say that too

Sittin' on my porch, waiting for her to come
So I can hold her here in my arm
Watching my watch as the time pass
I'm wondering how long my love is gonna last

Baby, one more time
You're making me feel alright
Oh my, oh my

Wherever you go, darlin' I will go
And when you get there, honey, I wanna be there
Just to hear the sweet words that you'll say
Yes, I love you any way

I love you any ole way, yeah
I love you any way
I love you any ole way, yeah
I love you any king of way way, babe

I love you any ole way, right now
I love you any ole way, yeah
I love you little more every day, yeah

I love you any ole way, yeah
