Title: Baby, let me be good to you

Baby, let me be good to you
I'll do anything you want me to
Your love has brought me around
Every time I was feeling down
But I'm so glad you give me everything I got
Baby, let me be good to you
Now sit in your easy chair
What you want-I'll bring it there
Even good can be better
Here's my love on a silver platter
Take it all
Baby, let me be good to you
Here it is-take it all
And don't be shy
You need your alibi
I want to do it
Baby, let me be good to you
Here it is, girl
I just want you to just take me all
Don't want you to be shy, Carla
You don't need no alibi
Baby, let me be good to you
Baby, let me be good to you
