She was a day tripper girl, now
She give me a one way ticket there, y'all
It took me so, so very long, huh
I found out, I found out
I found out, I found out, children yeah

She took me out, yes she did
And then she teased me a little bit
She told me she would love me
Teased me a little bit, y'all, huh, yeah
But I'll take the easy way out, girl, huh
I said I got a good reason now, huh
I'm gonna take the easy way out, huh

She was a day tripper girl, now
She give me a one way ticket there, y'all
It was so, so very long, baby, ha
I found out, I found out
Yes I did

Listen to me, let me tell you about her
She give me a hard time
Everything about that girl
Is good reason, children
I'm gonna take the easy way out, y'all, huh
I said I got a good reason, girl, yeah, huh
I'm gonna take the easy way out, now

She was a day tripper girl, now, ha
A one way ticket to there girl
It took me so, so very long, y'all, huh
I found out, I found out
I found out, oh yeah
[Incomprehensible]

Day tripper girl, yeah
She give me one way ticket there, y'all
It took me so, so very long
I found out, I found out, y'all
I found out, I found out
Ooh yeah

[Incomprehensible]
You got to love me for your mama huh
You got to tease me for your baby yeah
