Do the dog, do the dog  
Do the dog now, baby  
Come on, do the dog, yeah  
Do the dog, everybody's doin' the dog  
Come on, heh, ha baby

Do the hound dog, yeah  
Do the hound dog, baby, come on  
Let's do the hound dog, babe  
Do the hound dog, yeah  
Do the dog, everybody's doin' the dog

Do the bird dog, yeah  
Do the bird dog, yeah  
Do the bird dog, oh babe  
Come on and do the bird dog, yeah  
Do the dog, everybody's doin' the dog  
Come on

Do the bird dog, do the hound dog  
Do the poodle or any kind of dog  
Let's do the dog, do the dog, do the dog  
Oh every, everybody, let's do the dog

Come on, baby, let's walk this dog now  
Oh just-a, just-a, just-a walkin'  
Just-a, just-a, just-a walkin'  
Just-a, just-a, just-a walkin'

Yeah, let's do the dog  
Then we'll walk the dog  
Come on, baby  
Let's walk it one more time  
Whoa, baby

Oh [Incomprehensible]  
[Incomprehensible]  
Just-a, just-a, just-a walkin'  
Just-a, just-a, just-a walkin'
