CHORUS:

I've got dreams
Dreams to remember
I've got dreams
Dreams to remember

Honey, I saw you there last night
With another man's arms holding you tight
Nobody knows what I feel inside
All I know I walked away and cried

CHORUS

BRIDGE:

I know you said he was just a friend
But I saw him kiss you again and again
These eyes of mine they don't fool me
Why did he hold you so tenderly?

CHORUS

I still want you to stay
I still love you anyway
I don't want you to ever leave
Girl, you just satisfy me

BRIDGE

CHORUS 2X
