"Home In Your Heart"

Don't you know I got to find me a home
Right now in your heart
I'll travel over miles and down the highways, babe
Through the valleys every byway
Just to find me a home right now in your heart
I'll bring you to the music, refueling
Everything you wanna
Everything you need babe
Just to have me a home right now in your heart
Baby I'll travel for you over miles and
Through the valley babe
Down all the highways
Through the valleys honey
Just to find me a home right now in your heart
I gotta, gotta, gotta have it baby
Gotta find me a home
I've got to have a big beautiful home
[Ad lib]
Somewhere in your heart
