Title: How strong my love is

If I were the sun way up there
I'd glow with love most everywhere
I'll be the moon when the sun goes down
Just to let you know that I'm still around

That's how strong my love is, whooooo,
That's how strong my love is,
That's how strong my love is, baby, baby,
That's how strong my love is.

I'll be the weeping willow drowning in my tears
And you can go swimming when you are here
And I'll be the rainbow after the tears are gone
Wrap you in my colors and keep you warm

That's how strong my love is, darlin',
That's how strong my love is, baby,
That's how strong my love is, whoooo,
That's how strong my love is.

I will be the ocean so deep and wide
And catch all the tears whenever you cry,
I'll be the breeze after the storm is gone
To dry your eyes and love you warm

That's how strong my love is, baby,
That's how strong my love is, can you hear me now?
That's how strong my love is, darlin',
That's how strong my love is, again now

That's how strong my love is, so deep and wide,
That's how strong my love is
So much to love, yes so much to love, whoooo,
Yes so much love, yes so much to love,
Anything the sun can do, I will do it for you,
Any kind of love you want, I'll do for you....
