I've got dreams  
Dreams to remember  
I've got dreams Dreams to remember  
Honey I saw you there last night  
Another mans arms holding you tight  
Nobody knows what I feeled inside  
All I know, I walked away and cried  
I've got dreams  
Dreams to remember  
[Listen to me] I've got dreams, rough dreams Dreams  
to remember  
I know you said he was just a friend  
But I saw him kiss you again and again  
These eyes of mine, they don't fool me  
Why did he hold you so tenderly?  
I've got dreams  
Dreams to remember  
[Listen honey] I've got dreams  
Dreams, rough dreams

Dreams to remember  
I still want you to stay  
I still love you anyway  
I still don't want you to ever leave  
Girl, you just satisfy me! [Ooh-Wee!]  
I know you said he was just a friend  
But I saw you kiss him again and again  
These eyes of mine, they don't fool me  
Why did he hold you so tenderly?  
I've got dreams  
Dreams to remember  
[Listen to me mama]  
I've got dreams  
Dreams, bad dreams  
Dreams, rough dreams  
To remember  
Don't make me suffer  
Dreams, bad dreams  
Dreams, rough dreams  
To remember
