Look At That Girl

I saw her dancing, dancing  
In some old smokey place  
I bet I was the only one there to watch her face

All night I never saw a smile there  
'Cause she didn't even try  
You know for just a little while there  
I saw a tear in her eyes

(I've got to go back)  
Come on  
(and watch that little girl dance)  
Come on baby I love to see you now  
(I've got to go back)  
Ooh wee  
(and watch that little girl dance)  
One more time baby watch me swinging, huh]

I sit and watch her on the floor  
I said baby, baby, baby  
Come on baby just dance some more

I wonder how it is to love her  
I toss and turn in my bed  
The way she dance to the music  
She got me going out of my head

(I've got to go back)  
Come on  
(and watch that little girl dance)

One more time you fine foxy thing you  
(I've got to go back)  
Uh, yeah  
(and watch that little girl dance)

One more time just watch she do  
She do this

Huh

She walk the mellow-man a little bit  
Then she skate a little bit  
Then she boog-a -loo a little bit  
Then she twist a little bit  
I gotta

(I've got to go back)  
One more time  
(and watch that little girl dance)  
I got to see her on the floor, now, now  
(I've got to go back)  
Gotta, gotta  
(and watch that little girl dance)  
I gotta, gotta, gotta, gotta, gotta see her now, now  
(I've got to go back)  
One more time  
(and watch that little girl dance)  
Sweet little thing, sweet little thing, sweet little thing  
You sweet little  
Come on, watch that, yeah, yeah, yeah...
