I saw her dancing, dancing in some old smokey place
I bet I was the only one there to watch her face
All night I never saw a smile there 'cause she didn't
even try
You know for just a little while there I saw a tear in her
eyes

(Got to go back and watch that little girl dance)
Come on, come on baby I love to see you now
(Got to go back and watch that little girl dance)
One more time, baby, watch me swinging, huh

I sit and watch her on the floor
I said baby, baby, baby, come on baby just dance some
more
I wonder how it is to love her, I toss and turn in my head
The way she dance to the music she got me going out
of my head

(Got to go back and watch that little girl dance)
Come on, one more time you fine foxy thing, you
(Got to go back and watch that little girl dance)
Yeah, one more time just watch she do, she do this, oh

She walk the mellow-man a little bit, then she skate a
little bit
Then she boog a little, little bit, then she twist a little bit,
I gotta

(Got to go back and watch that little girl dance)
One more time I got to see her on the floor, now, now
(Got to go back and watch that little girl dance)
Gotta, gotta, I gotta, gotta, gotta, gotta, gotta see her
now, now

(Got to go back and watch that little girl dance)
One more time, you sweet little thing, you sweet little
thing
You sweet little thing
(Got to go back and watch that little girl dance)
Come on, watch that, yeah, yeah, yeah, yeah, yeah,
yeah, yeah, yeah
